October 2017

The club is delighted to have been informed that it has just been awarded a Magic Little Grant from the partnership between Localgiving and the Postcode Community Trust.

The Postcode Community Trust is a grant-giving charity funded entirely by players of the People's Postcode Lottery.

Our project received £500 from the Trust for the hire of indoor sporting facilities to enable the club to organise weekly 2 hour wheelchair and ball skill sessions for new and existing disabled members. The sessions will be held at Comberton Village College on a Tuesday evening from 8.00 p.m until 10.00 p.m.

The funding will permit the club to continue its weekly training sessions for another 10 week period and will reduce the burden on the club's limited reserves.

If anyone is interested in trying the sport of wheelchair basketball they are more than welcome to attend the sessions. No experience is necessary. The club has a number of club wheelchairs new players can experience playing in. Individual wheelchair and ball skill tuition will be given. If you would like to attend a session, please contact the club secretary, whose address is shown below.
